

'MOSTELA' CAMERATRAP CONCEPT

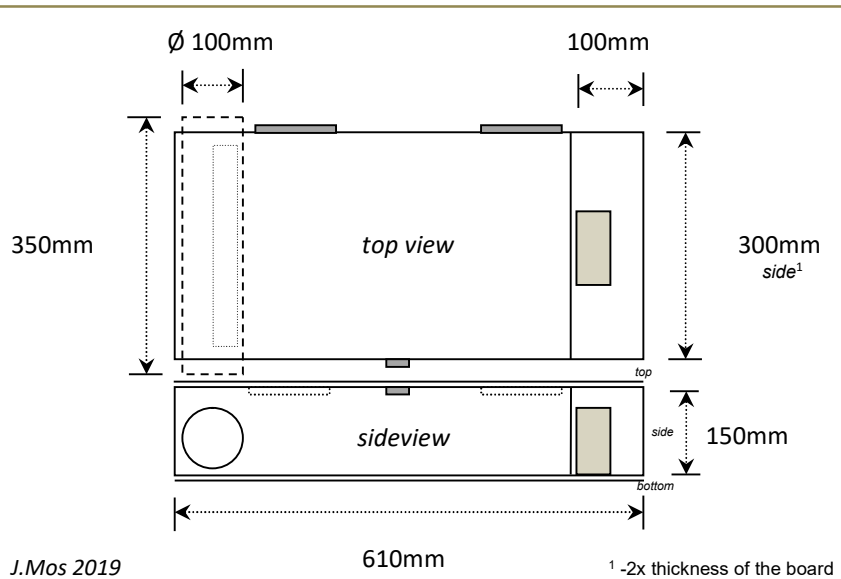

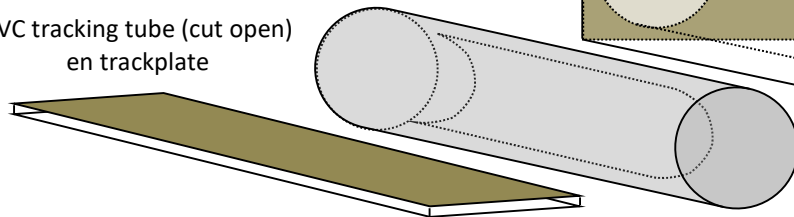

Version 2, 14 October 2019

the 'Mostela' out in the field

PVC tracking tube (cut open) en trackplate

J.Mos 2019

cameraholder, aluminium screen with +2 close-up lens

ATTENTION!

This design is based on the *Browning Dark Ops PRO XD*. The use of other cameratypes or brands within this concept can result in less quality recordings.
